The Oregon Health Authority (OHA) intends to submit a State Plan Amendment to the Centers for Medicare & Medicaid Services to increase the rates paid to Oregon Health Plan (OHP) members and their attendants for mileage, meals, and lodging related to travel to access health care services covered by OHP. The proposed rates would:

- Be a percent of the standard rates set annually by the Internal Revenue Service (IRS) for meals, mileage and lodging for business expenses.
• Follow the standard IRS 2022-2023 per diem rates and 2022 mileage rates as noted below.

Table with 5 columns: Code, Description, Proposed Rate, IRS Standard Rate, % of IRS Rate. Rows include NEMT ancillary: Client meals, NEMT ancillary: Attendant meals, NEMT per mile – Private vehicle provided by individual, NEMT ancillary: Client lodging, and NEMT ancillary: Attendant lodging.
