

**Date:** December 3, 2024  
**To:** Coordinated care organizations (CCOs)  
**From:** David Inbody, CCO Operations director  
**Subject:** Oregon Health Plan coverage of travel and nonroutine vaccines

This communication is to clarify Oregon Health Plan (OHP) coverage of travel and nonroutine vaccines. The Oregon Health Authority (OHA) is aware that its [August 15, 2023](#), memo to CCOs has resulted in some confusion about this coverage.

OHP covers the travel and nonroutine vaccines listed below for both adults and children as indicated per each vaccine license and recommended by the [Advisory Committee on Immunization Practices \(ACIP\)](#). For children, these are managed like adult vaccines and not through the Vaccines for Children program. Please note that the Chikungunya vaccine is new to the list.

Code	Description
90473	Immunization administration by intranasal or oral route; 1 vaccine (single or combination vaccine/toxoid)
90474	Immunization administration by intranasal or oral route; each additional vaccine (single or combination vaccine/toxoid)
90581	Anthrax vaccine, for subcutaneous or intramuscular use
90584	Dengue vaccine, quadrivalent, live, 2 dose schedule, for subcutaneous use
90586	Bacillus Calmette-Guerin vaccine (BCG) for bladder cancer, live, for intravesical use
90587	Dengue vaccine, quadrivalent, live, 3 dose schedule, for subcutaneous use
90589	Chikungunya vaccine, live, for intramuscular use
90625	Cholera vaccine, live, adult dosage, 1 dose schedule, for oral use
90690	Typhoid vaccine, live, oral
90691	Typhoid vaccine, Vi capsular polysaccharide (ViCPs), for intramuscular use
90717	Yellow fever vaccine, live, for subcutaneous use
90738	Japanese encephalitis virus vaccine, inactivated, for intramuscular use
90758	Zaire ebolavirus vaccine, live, for intramuscular use

## What should you do?

Please ensure coverage of these vaccines for both children and adults by:

- Opening payment for vaccine codes for all recommended ages.
- Assessing your Provider Network. Make changes if needed to ensure appropriate access to these services. Pay special attention to travel vaccine providers.

Please communicate this coverage change to:

- Providers who render or refer for these services.
- Members as appropriate. Update member-facing information to include this new coverage.

## Questions?

If you have any questions, please email Jason Daniels at [jason.h.daniels@oha.oregon.gov](mailto:jason.h.daniels@oha.oregon.gov).

Thank you for your continued support of OHP and the services you provide to our members.
