

Public notice

Request for comment – OHA proposes to amend the Medicaid State Plan to reflect an increase to the fee-for-service rates for the Targeted Case Management Maternal and Child Health home visiting programs effective November 1, 2019.

Date: October 3, 2019

Contact: Jesse Anderson, State Plan manager

Comments due: 5 p.m. Friday, November 1, 2019

The Oregon Health Authority (OHA) will draft a [State Plan Amendment](#) to update Oregon's Medicaid State Plan to reflect a 29-percent net increase in the fee-for-service (FFS) rates for the Targeted Case Management, Maternal and Child Health Public Health Nurse Home Visiting programs (Babies First!, CaCoon, Family Connects® and Nurse Family Partnership®).

Background:

The affected programs provide home visits for mothers and babies with elevated health risks. These programs are:

- FFS only. There is no CCO impact.
- Leveraged with Medicaid. There is no General Fund (GF) impact for these programs. Oregon counties pay what would have been the GF portion. Federal Funds will increase 29%.
- Reimbursed using the T1017 treatment code.

The current rate utilized 2012 costs. The new rate will be rebased to reflect 2019 costs.

How to comment:

OHA welcomes public review and input. Please send written comments by 5 p.m. Friday, November 1, 2019, to jesse.anderson@dhsoha.state.or.us (fax 503-947-1119).
