

Date: July 16, 2021

To: Coordinated Care Organizations

From: Dave Inbody, CCO Operations Manager

Subject: Due date change for Care Coordination activities reports

This communication is to notify Coordinated Care Organizations (CCOs) about the due date change for the deliverables listed below.

| <i>Contract Deliverables</i> | <i>Original Due Date</i> | <i>New Due Date</i> | <i>Notes</i> |
|--|--------------------------|---------------------|---|
| <i>Ex. B, Pt. 4, Sec. 7, Para. h</i> | | | |
| Q2 Care Coordination activities report | 8/14/2021 | 8/29/2021 | OAR 410-141-3860(19) was amended effective 7/1/2021 to change the due date for these reports from 45 to 60 days from the end of the reporting period. |
| Q3 Care Coordination activities report | 11/14/2021 | 11/29/2021 | Please note that there is no Q4 report. This is reflected in the above OAR and was previously communicated to CCOs in the 2/12/2021 memo . |

As noted in the 2/12/2021 memo, OHA is requesting feedback from CCOs about the report template in order to make adjustments prior to use for the CY 2022 semi-annual reports. CCOs should submit their feedback, with as much detail and specificity as possible, **with their Q2 report**. This will ensure that OHA can incorporate the feedback and provide the revised template at least 90 days prior to the start of CY 2022.
