

Memorandum

To: Coordinated care organizations (CCOs)
From: David Inbody, CCO Operations director
Date: March 12, 2026
Subject: New due date for sending URL of member-facing HRSN Services page

This communication is to notify CCOs about the due date extension for the [Contract Year \(CY\) 2026 deliverable](#) listed below:

- **Ex. B, Pt. 2, Sec. 16, Para. M:** URL for public web page with information about Health-Related Social Needs (HRSN) Services for members
- **Original due date:** March 1, 2026
- **New due date:** April 1, 2026

Why is this happening?

Oregon Health Authority (OHA) did not include this deliverable in [Exhibit D - Attachment 1](#) nor in the [Quarter 1 CY 2026 deliverables reminder](#). OHA is extending the due date to accommodate for this oversight.

What should you do?

CCOs should submit the URL via the [Contract Deliverables Portal](#).

Please note that each CCO must update its member-facing HRSN page within 30 days for any new or updated information about its HRSN program. For example, when OHA launches HRSN Fruit and Vegetable and Pantry Stocking benefits, CCOs must update their HRSN page with information about these benefits within 30 days of the launch.
