Memorandum

To: Coordinated care organizations (CCOs)

From: David Inbody, CCO Operations director

Date: August 27, 2026

Subject: Waiver of public posting of VBP Data Template

This memo is notice of the Oregon Health Authority's (OHA) decision to waive the following requirement in the Contract Year (CY) [2026](#) CCO contracts:

- **Exhibit H, Section 7:** This paragraph states that OHA will publish each CCO's Value-Based Payment (VBP) data, except for specific provider payment amounts that could result in the disclosure of "trade secrets" as defined in ORS 192.345 and in the contract.

Why is this happening?

In the memo dated [Nov. 7, 2025](#), OHA waived multiple VBP requirements in the CY 2026 contracts. The waiver includes most worksheets in the VBP Data Template described in Exh. H, Sec. 6, Para. a (1).

The remaining required worksheet in the VBP Data Template is for reporting information about CCO VBP payments to contracted Patient-Centered Primary Care Homes for CY 2025. This provider payment information is considered a "trade secret" and subject to redaction prior to public posting.

OHA has decided that is not beneficial to publicly post the VBP Data Template since the main information in the report is subject to redaction prior to posting.

What should you do?

No action is needed by CCOs.
