

Changes to the Oregon Health Plan (OHP)

A new federal law is changing some OHP rules.
You still have OHP. But some things will change.

What is changing?

You will need to renew OHP more often. Renew means checking if you still qualify for health coverage.

- Many adults ages 19 to 64 will need to renew OHP every 6 months.
- Other OHP members will renew once a year.

Some adults will have new work or activity rules.

- Many adults ages 19 to 64 will need to work or do other activities to keep OHP when they renew.
- Some people will not have to meet these rules. This includes people who:
 - Take care of children under age 14
 - Have a disability
 - Have a health condition that keeps them from working
 - Have Medicare
 - Meet other reasons allowed by the new law

If you need to meet these rules, OHP will send you information about these rules and what you need to do.

Changes to the Oregon Health Plan (OHP)

Healthier Oregon members will move to OHP Open Card.

- If you have Healthier Oregon due to immigration status, you will move from your current plan to OHP Open Card.
- You will still have OHP and the same types of health care.
- Because Open Card works with a different group of doctors and health care providers, you may need to see a different doctor or provider.

You will get more information before this change happens.

What should I know now?

- Keep your address and contact information up to date with OHP.
- Watch for letters, emails, or other information from OHP. They will tell you if you need to do something.

How can I learn more?

- Learn more about other OHP changes at: **OHP.Oregon.gov/HR1**. Please check this page for updates.
- For information about other programs, how Oregon protects your personal information, or how benefits affect your immigration status, visit **Oregon.gov/Together**.

Other formats and languages: You can get this document in other languages, large print, braille or a format you prefer free of charge. Contact OHP at **Ask.OHP@odhsoha.oregon.gov** or 800-273-0557 (voice). All relay calls welcome.
