

What is OHP Open Card?

With OHP Open Card you have full OHP benefits.

OHP Open Card is a way some people get OHP benefits. You can visit doctors and other health care providers who take OHP Open Card. Not every provider takes OHP Open Card. It is important to ask before you get care.

Reasons you may get Open Card include if you:

- Have Medicare or other health insurance
- Have serious medical reasons
- Are American Indian/Alaska Native

Starting **January 1, 2027** people who qualify for OHP through Healthier Oregon based on their immigration status will get their benefits through Open Card due to a federal change.
