AMEND: 410-123-1220

REPEAL: Temporary 410-123-1220 from DMAP 105-2018

RULE TITLE: Coverage According to the Prioritized List of Health Services

NOTICE FILED DATE: 12/20/2018

RULE SUMMARY: The revision of OAR 410-123-1220 updates the 2019 citation of the covered and non-covered dental services list. This rule needs to be amended promptly so that the Authority can clarify which document providers and clients should reference when they have questions about dental care coverage.

RULE TEXT:

(1) This rule incorporates by reference the "Covered and Non-Covered Dental Services" document dated January 1, 2019, and located on the Health Systems Division (Division) website at <https://www.oregon.gov/oha/HSD/OHP/Pages/Policy-Dental.aspx>.

(a) The "Covered and Non-Covered Dental Services" document lists coverage of Current Dental Terminology (CDT) procedure codes according to the Oregon Health Evidence Review Commission (HERC) Prioritized List of Health Services (Prioritized List) and the client's specific Oregon Health Plan benefit package;

(b) This document is subject to change if there are funding changes to the Prioritized List.

(2) Changes to services funded on the Prioritized List are effective on the date of the Prioritized List change:

(a) The Division administrative rules (chapter 410, division 123) do not reflect the most current Prioritized List changes until the rules are amended through the Division rule filing process;

(b) For the most current Prioritized List, refer to the HERC website at www.oregon.gov/oha/herc/Pages/PrioritizedList.aspx;

(c) In the event of an alleged variation between a Division-listed code and a national code, the Division shall apply the national code in effect on the date of request or date of service.

(3) Refer to OAR 410-123-1260 for information about limitations on procedures funded according to the Prioritized List. Examples of limitations include frequency and client's age.

(4) The Prioritized List does not include or fund the following general categories of dental services, and the Division does not cover them for any client. Several of these services are considered elective or "cosmetic" in nature (i.e., done

for the sake of appearance):

- (a) Desensitization;
- (b) Implant and implant services;
- (c) Mastique or veneer procedure;
- (d) Orthodontia (except when it is treatment for cleft palate, cleft lip, or cleft palate with cleft lip);
- (e) Overhang removal;
- (f) Procedures, appliances, or restorations solely for aesthetic or cosmetic purposes;
- (g) Temporomandibular joint dysfunction treatment; and
- (h) Tooth bleaching.
