NEED FOR THE RULE(S):

The OHP program administrative rules govern the Division's payments for services provided to clients. The Authority needs to temporarily amend 410-141-3830. This change will reference the approved Health Evidence Review Commission (HERC) Prioritized List of Health Services, effective January 1, 2021– September 30, 2021, and incorporating interim modifications annotations. The changes will be effective January 1, 2021.

JUSTIFICATION OF TEMPORARY FILING:

The Authority finds that failure to act promptly will result in serious prejudice to the public interest, the Authority, and recipients of Medicaid benefits. These rules need to be adopted promptly so that the rule reflects interim modifications to the Prioritized List of Health Services, facilitating Oregon Health Plan members' access to services and reducing barriers to provision of key services.

DOCUMENTS RELIED UPON, AND WHERE THEY ARE AVAILABLE:

- (1) January 1, 2021, cover letter from HERC to Oregon Legislative leadership reporting interim modifications and technical changes.

RULE TITLE: Prioritized List of Health Services

RULE SUMMARY: The OHP program administrative rules govern the Division's payments for services provided to clients. The Authority needs to temporarily amend 410-141-3830. This change will reference the approved Health Evidence Review Commission (HERC) Prioritized List of Health Services, effective January 1, 2021– September 30, 2021, and incorporating interim modifications annotations. The changes will be effective January 1, 2021.

RULE TEXT:

(1) The Health Evidence Review Commission (HERC) Prioritized List of Health Services (Prioritized List) is the listing of physical and behavioral health services with “expanded definitions” of practice guidelines and statements of intent as presented to the Oregon Legislative Assembly. The Prioritized List is generated and maintained by HERC. The HERC maintains the most current list on their website: <https://www.oregon.gov/OHA/HPA/DSI-HERC/Pages/Prioritized-List.aspx>. For a hard copy, contact the Division within the Oregon Health Authority (Authority).

(2) This rule, effective January 1, 2021, incorporates by reference the January 1, 2021 Prioritized List, funded through line 471 and including all line items, diagnosis and treatment codes, guideline notes, statements of intent, coding specifications and annotations. This Prioritized List dated January 1, 2021 supersedes the October 1, 2020 Prioritized List for services provided after January 1, 2021, and includes interim modifications reported as required under ORS 414.690(7) and (8).
