NEED FOR THE RULE(S):

The OHP program administrative rules govern the Division's payments for services provided to clients. The Authority needs to temporarily amend 410-141-3830. This change will reference the approved Health Evidence Review Commission (HERC) Prioritized List of Health Services, effective February 1, 2021– September 30, 2021, and incorporating interim modifications annotations. The changes will be effective February 1, 2021.

JUSTIFICATION OF TEMPORARY FILING:

The Authority finds that failure to act promptly will result in serious prejudice to the public interest, the Authority, and recipients of Medicaid benefits. In light of the COVID-19 epidemic, this interim modification will facilitate clients' access to urgently needed telephone and telemedicine services. It will mitigate the risk of financial harm to key providers and reduce barriers to provision of key services with less risk of contagion. This temporary rulemaking action will avoid or mitigate the risks mentioned above by incorporating in rule the technical changes and interim modifications as specified in the Prioritized List of Health Services.

DOCUMENTS RELIED UPON, AND WHERE THEY ARE AVAILABLE:

This change will reference the approved Health Evidence Review Commission (HERC) Prioritized List of Health Services, effective February 1, 2021– September 30,

2021, and incorporating interim modifications annotations. The changes will be effective February 1, 2021.

RULE TEXT:

(1) The Health Evidence Review Commission (HERC) Prioritized List of Health Services (Prioritized List) is the listing of physical and behavioral health services with “expanded definitions” of practice guidelines and statements of intent as presented to the Oregon Legislative Assembly. The Prioritized List is generated and maintained by HERC. The HERC maintains the most current list on their website: <https://www.oregon.gov/OHA/HPA/DSI-HERC/Pages/Prioritized-List.aspx>. For a hard copy, contact the Division within the Oregon Health Authority (Authority).

(2) This rule, effective February 1, 2021, incorporates by reference the February 1, 2021 Prioritized List, funded through line 471 and including all line items, diagnosis and treatment codes, guideline notes, statements of intent, coding specifications and annotations. This Prioritized List dated February 1, 2021 supersedes the January 1, 2021 Prioritized List for services provided after February 1, 2021, and includes interim modifications reported as required under ORS 414.690(7) and (8).
