NEED FOR THE RULE(S):

OAR 410-200-0215 describes Medicaid eligibility requirements related to citizenship and non-citizen status. Federal policy amended in the Consolidated Appropriations Act 2021 updated non-citizen eligibility requirements such that COFA citizens who were previously ineligible for coverage, or eligible only for emergency-services, now meet the non-citizen status requirements for full Medicaid coverage. This OAR amendment supports that Federal policy change, which was enacted December 28, 2020.

JUSTIFICATION OF TEMPORARY FILING:

The Authority finds that failure to act promptly will result in serious prejudice to the public interest, COFA citizens, and the Authority because coverage and care would be delayed for COFA citizens, and state rule will not be aligned with Federal policy.
