**NEED FOR THE RULE(S):**

Recent federal guidance mandates that parolees from Afghanistan (and their spouses and unmarried children under the age of 21) do not have to meet the 5-year bar to meet the non-citizen status requirements if they were paroled into the US on or between the dates of July 1, 2021, and September 30, 2022. Such individuals will continue to meet non-citizen status requirements through March 31, 2023, or through the end of their parole, whichever is later.

**JUSTIFICATION OF TEMPORARY FILING:**

The Authority finds that failure to act promptly will result in serious prejudice to the public interest, the Authority, and recipients of Medicaid benefits. This rule needs to be adopted promptly so that the Authority may provide health coverage as federally mandated for this vulnerable population.

**AMEND: 410-200-0215**

**RULE SUMMARY:** OAR 410-200-0215 describes the non-citizen status criteria which must be met for an individual to be eligible for full (not emergency-only) OHP coverage. Existing federal regulation requires that parolees must have been in the US for 5 years since their date of entry to meet the non-citizen status requirements; this is referred to as the 5-year bar.

Two recent federal guidance mandates indicate the following parolees do not have to meet the 5-year bar requirement :  
-Parolees from Afghanistan (and their spouses and unmarried children under the age of 21) do not have to meet the 5-year bar to meet the non-citizen status requirements if they were paroled into the US on or between the dates of July 31, 2021, and September 30, 2022. Such individuals will continue to meet non-citizen status requirements through March 31, 2023, or through the end of their parole, whichever is later.

-Parolees who have not had their parole terminated and:

--Are citizens or nationals of Ukraine or who last habitually resided in Ukraine and were paroled into the US on or between the dates of February 24, 2022 and September 30, 2023; or

--Were paroled after September 30, 2023 and:

---Are the spouse or child of an individual described in the first bullet; or

---Are parent, legal guardian, or primary caregiver of an individual described in the first bullet who is determined to be an unaccompanied child under section 462(g)(2) of the Homeland Security Act of 2002 (6 U.S.C. 279(g)(2)) or section 412(d)(2)(B) of the Immigration and Nationality Act (8 U.S.C. 1522(d)(2)(B)).

CHANGES TO RULE:

410-200-0215

#### Citizenship and Non-Citizen Status Requirements ¶¶

(1) To meet the citizen or non-citizen status requirements for an HSD Medical Program, an individual must be:¶¶
