**NEED FOR THE RULE(S):**

The federal definition of lawfully present has been updated effective November 1, 2024, for Basic Health programs. Specifically, Deferred Action for Childhood Arrivals (DACA) recipients and certain other noncitizens will be included in the definitions of “lawfully present” for the OHP Bridge – Basic Health Program. Due to this update, section (3) of OAR 410-200-0215 Citizenship and Non-Citizen Status Requirements needs to be revised to include these populations in the definition of lawfully present for the OHP Bridge – Basic Health Program.

**JUSTIFICATION OF TEMPORARY FILING:**

- (1) Failure to revise OAR 410-200-0215 on April, 30, 2025, could result in a discrepancy between the eligibility determination made by the Oregon ONE eligibility system and this OAR for the OHP Bridge – Basic Health Program.
- (2) Deferred Action for Childhood Arrivals (DACA) recipients and certain other noncitizens: a noncitizen in a valid nonimmigrant status, any noncitizens who have been granted employment authorization under 8 CFR 274a.12(c), individuals who are granted Family Unity benefits under section 1504 of the Legal Immigration and Family Equity (LIFE) Act Amendments of 2000, individuals with a pending application for adjustment of status.
- (3) The OregonONE eligibility system used to determine benefits for medical is being updated to align with the updated federal regulations. This means individuals impacted by this change will be determined to meet the immigration status requirement for the OHP Bridge – Basic Health Program but the corresponding OAR would not support this eligibility decision.
- (4) If the OAR is updated using this temporary action, then the eligibility decision made by the OregonONE eligibility system and the OAR would align.
