

Tip Sheet: Billing Post-Release Targeted Case Management for FCAA

In 2026, Targeted Case Management (TCM) providers that meet the provider qualifications outlined in OAR [410-138-0060 \(14\)\(a\)-\(g\)](#) may bill at an enhanced rate for TCM provided to FCAA-eligible members in the **30-days post-release** using the below billing code pairings:

Code	Modifier	Rate per 15-minute Increment	Maximum Allowed 15-minute Increments per 24-hour Period
T1016	TG	\$35.28	12

For additional information on FCAA services and TCM activities and requirements please reference OAR [410-155-0000](#) and [410-155-0010](#). Please reference [this webpage](#) for general Medicaid billing guidance and resources.

Additional billing guidance for FCAA pre-release services will be issued in 2026. Reference the [Reentry Health Care website](#) for more information.
