### **Pending Changes**

The Authority is working on system changes to support emergency match for immunosuppressant office visits, labs and medications for the Healthier Oregon program. These benefits were not included for the capitation rate year 2023.

The Authority is working on system changes to support emergency match and rebate for all emergency medications. Medications for emergency services defined in this manual (except for cancer treatment) were not included for the capitation rate year 2023.

The Authority is working on a system change to allow Healthier Oregon members who have Medicare to enroll in CCO's. Until 2025, Healthier Oregon members with Medicare will receive case management through Acentra Healthcare and access to the OHP Open Card provider network. Medicare is the primary and OHP is the secondary insurer.
