

The Safety Net Capacity Grant Program, now known as **I'm healthy!** (**¡Soy sano!** in Spanish), helps children and teens connect to free health care services if they do not qualify for full Oregon Health Plan benefits or Qualified Health Plans, and are under 19 years old. Below is a statewide directory of community-based organizations and safety net clinics funded to provide **I'm healthy!** outreach, education, referral and direct primary and preventive care services.

I'm healthy! partners by county

Community-based organizations

These organizations provide **I'm healthy!** outreach, education and referral services.

- *Is there is an **I'm healthy!** community-based organization near you?* If so, call them to be referred to an **I'm healthy!** clinic.
- If your area does not have an **I'm healthy!** community-based organization, directly call an **I'm healthy!** clinic near you.

Safety net clinics

These clinics offer free primary and preventive health care services to children and teens that qualify for **I'm healthy!** In some regions, clinics also provide **I'm healthy!** outreach, education and referral services.

- See each **I'm healthy!** clinic location for the type(s) of free primary and preventive health care services offered.
- All **I'm healthy!** clinics offer interpreter services.
- You may call a clinic directly to schedule an appointment. Be sure to let them know you are calling about **I'm healthy!**

View **I'm healthy!** partners by clicking on your preferred county below. **I'm healthy!** is a statewide program. If you do not see your county listed, select the county that is closest to you. Eligible children and teens may access services at *any* **I'm healthy!** partner, regardless of where they reside.
