

Your Voice Matters

Join a Listening Session for Oregon Health Plan (OHP) Members covered by PacificSource in Lane County

What's happening: PacificSource Community Solutions ("PacificSource") will no longer be a coordinated care organization (CCO) in Lane County on February 1, 2026. OHP members in Lane County covered by PacificSource will have a new CCO: Trillium Community Health Plan ("Trillium"). **Join a listening session this December** to learn more and share your questions and feedback about this change.

Who should attend: OHP members covered by PacificSource in Lane County.

What to expect: Learn what's changing, what to do, and where to go for help. Share your questions and needs so Oregon Health Authority (OHA), PacificSource and Trillium can provide the best possible support throughout the transition. Food and childcare will be provided at the in-person locations. Share dietary restrictions at CCOSpecialprojects@oha.oregon.gov.

Language and disability access: American Sign Language, Spanish and live captioning will be available for all sessions. If you speak a language other than English or Spanish, have a disability, or need additional support, we can provide free help like interpreters, materials in other languages, braille, large print, CART, and more. To request an accommodation, please contact OHA's CCO Transition team at CCOSpecialprojects@oha.oregon.gov.
