## Rules Advisory Committee (RAC) Notification

**Contact:** Nita Kumar, [Nita.kumar2@oha.oregon.gov](mailto:Nita.kumar2@oha.oregon.gov)

### Request to increase diversity and equity in membership for RAC

The Oregon Health Authority (OHA) goal is to create more equitable administrative rules. RACs members are required to analyze the Racial Equity Impact Statement on proposed rules.

Organizations can help reach this goal by choosing a RAC member from a priority population to represent their organization.

OAR 950-020-0010(7):

Priority populations means:

- (a) Communities of color;
- (b) Tribal communities including the nine federally recognized tribes of Oregon and other American Indians and Alaska Natives people;
- (c) Immigrants;
- (d) Refugees;
- (e) Migrant and seasonal farmworkers;
- (f) Low-income individuals and families;
- (g) Persons with disabilities; and
- (h) Individuals who identify as lesbian, gay, bisexual, transgender, or queer, or who question their sexual or gender identity.

OHA Health Equity Definition: "Communities historically and currently disadvantaged by their race, ethnicity, language, disability, gender, gender identity, sexual orientation, social class, intersections among these communities or identities, or other socially determined circumstances."

RAC membership will not be limited to a number of people per organization or affected community. The general rules in Division 120 affect many providers and people. At the RAC, members will provide input that will help us develop the Notice of Proposed Rulemaking, and help us better understand the fiscal impact of the proposed rule changes.

Please share this information with others who may be affected by, and interested in providing input about, the proposed rule changes.
