Proposed changes for RAC discussion:

Need for Rule Change	
• **Billing:** OHA has received feedback/input from Members and Providers suggesting that the 3165 Agreement to Pay form and its governing rule need updates. • **Non-Participating Provider:** OHA received feedback that the rule text as filed is misnumbered; this filing corrects the rule text numbering. • **Housekeeping:** Individuals who are eligible for and receiving Medicaid services are now referred to as "Members" instead of "clients". We are also creating a definition for "Open Card Member" and will clarify when a Member is a "CCO Member".
