Dear [First Name]:

Our records show that you agreed to participate in the Healthy Futures incentive program for the 2017-18 plan year. **If you completed your medical carrier's online health assessment August 15, 2017 or later, you can disregard this message.**

To earn the Healthy Futures incentive for the 2017-18 plan year, **you must complete your medical carrier's online health assessment between August 15, 2017 and October 15, 2017.** If you have not yet completed the health assessment for this year's participation, please do so as soon as possible.

Note: Password resets can take 5-7 business days. If you need assistance too close to the deadline, you may be unable to complete your health assessment in time. OEBB will not allow exceptions to the October 15, 2017 deadline for any reason.

To complete your health assessment:

Moda Members: Log in to www.MyModa.com and click the "Momentum" link. Then select "Start a New Assessment".

Kaiser Members: Go to www.kp.org/tha and click "Start a Total health Assessment now." Log in to your account or create a new account, if needed.
