

**Congratulations! Our records show your enrollment selections were saved successfully on August 15, 2019.**

If you'd like to review your enrollments or print your benefits statement, you can log back in to the [MyOEBB Enrollment System](#).

**Please read the three important notes below ...**

**1) If you enrolled in a Moda Health medical plan, be sure to choose a PCP 360** directly with Moda to receive the best possible benefit. Each covered individual has the option to receive an enhanced benefit by choosing a PCP 360 to coordinate their care. You can learn more about your options by reviewing the Moda videos and handouts at [www.OEBBondemand.com](http://www.OEBBondemand.com).

**2) If you enrolled in the Delta Dental Exclusive PPO dental plan, the Kaiser Permanente dental plan, or the Willamette Dental Group dental plan, you must use their specific limited network providers. There is no benefit if you use an out-of-network provider on these plans** (except for emergencies).

**3) The [Required Notices](#) page of the OEBB website contains documents OEBB is required to provide its members, including:**

- Medicare Creditable Coverage Notice - *All OEBB medical plans (except the ACA Bronze plans) are considered Creditable Coverage for the 2019-20 plan year*
- Notice of Women's Health and Cancer Rights
- Consolidated Omnibus Budget Reconciliations Act (COBRA) Notice - *If you are currently enrolled in COBRA coverage through OEBB, you can disregard the COBRA Notice.*
- Medicaid and the Children's Health Insurance Program (CHIP)
- Summaries of Benefits and Coverage (SBC's)
