[1] Deductible waived

[2] Individual deductible and out-of-pocket (OOP) maximum apply to single coverage only. Family deductible and OOP maximum apply when two or more individuals are covered on the plan. This plan also includes an embedded per member OOP maximum, which is set at the individual OOP maximum amount. Under this plan, deductible must be met before benefits will be paid (except where [1] indicates deductible waived).

[3] For Moda plans, out-of-pocket (OOP) maximum includes medical copays and coinsurance. Pharmacy copays and coinsurance, and ACT copays, will continue accruing toward Maximum Cost Share.

[4] Benefit is subject to reference price limitation.

[5] A formulary exception must be approved for non-preferred brand prescription medication.

[6] If enrolled in a Moda medical plan, each covered individual must choose a PCP 360 with Moda for that individual to receive the enhanced "coordinated" benefit shown in the far left column under that plan when using a provider in the Connexus network. If an individual has not chosen a PCP 360 with Moda, they will receive the "non-coordinated" benefit shown in the center column under that plan if using a provider in the Connexus network. Any services by a provider outside the Connexus network will be paid at the "out-of-network" level (far right column under that plan) regardless of whether or not the individual has chosen a PCP 360 with Moda.

This document is for comparison purposes only and is not intended to fully describe the benefits of each plan. Refer to your member handbook for more details of benefit coverage. In the case of a conflict between this document and your member handbook, the member handbook will prevail.
