

2026–27

# Open Enrollment is required this year!

**Aug. 15–Sep. 15**

Some employers use different end dates. Confirm your deadline with your employer.

**Everyone must log in to [OEBBenroll.com](https://OEBBenroll.com) and make their selections.**

Remember Open Enrollment is the one time each year you can change your benefits without a major life event or Qualified Status Change (QSC).
