

## **Women's Health and Cancer Rights Act Notice**

Did you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema)?

Call your Plan Administrator (Moda Health 866-923-0409, or Kaiser Permanente 866-223-2375) for more information.
