Frequently Asked Questions: ACH Debits

Where can I find my routing transit and account numbers on my check?

What is an ACH Debit Authorization?

The "ACH" stands for Automated Clearing House. ACH is an electronic payment network used by individuals, businesses, financial institutions and government organizations. Electronic ACH payments provide more efficient cash management capabilities and lower costs than traditional paper payments.

What am I authorizing OEGB to do?

By completing and signing this ACH Debit Authorization form, you give consent to OEGB to "auto-deduct" monthly insurance premiums directly from your account. To establish this recurring monthly transaction, you must complete this form and attach a VOIDED check to the address indicated above.

Do I need to fill out this form each plan year?

No. OEGB will continue to debit your account as long as you are eligible for OEGB benefits.

What is an international ACH determination?

Generally not applicable. This only applies if you have payment instructions to transfer funds from a Non-US Financial Institution to a US Financial Institution explicitly for funding of this debit transaction.

When will funds be withdrawn from my account?

Funds will be withdrawn for your monthly premiums directly from your checking or savings account on the 2nd business day of each month.
