

Health Care Interpreter (HCI) Survey

Please help us to improve health care interpretation in Oregon!

The Oregon Health Authority's Office of Equity and Inclusion (OHA-OEI) wants to hear from you about the working conditions for interpreters. Your feedback will be used to improve program services, laws, policies, and the working conditions for HCIs.

Benefits

- ◆ You will receive **2 continuing education units (CEU)** after you complete the survey!
- ◆ Your CEU certificate will count toward the 24 hours of required CEU for renewing your certification or qualification letter.

When will the survey close

- **Survey will close on September 30th, 2018.**

Where to find survey

- You will receive the survey in an email if you are on the OHA-HCI Registry
- Survey will also be hosted on the OHA-OEI website (<https://www.oregon.gov/OHA/oei/pages/index.aspx>).
- From the OHA-OEI website, click on “**complete our HCI survey and earn continuing education credits**” which will be under the HCI column.
- Review instructions and click on survey link at the bottom of this page.
