Moda Health Plan, Inc. (Moda) currently meets the requirements of an organization that has a certificate of authority in good standing as a health care service contractor and issues health benefit plans as defined in 743B.005, in Oregon. Additionally, Moda’s subsidiary company ODS Community Health, Inc. and Greater Oregon Behavioral Health, Inc. (GOBHI) are equity partners and administrators of the Eastern Oregon CCO that has held a Medicaid contract with OHA to bear capitated health care financial risk since 2012.

Our intent is to form a new organization in partnership with hospitals and other provider partners that currently provide care and services to OHP members in the desired service areas. Moda intends to reduce its equity/ownership position in the new company based on the equity/ownership taken by our hospital and provider partners. Partners that have expressed interest in an equity/ownership model within the desired service areas include:

Adventist Health Tillamook
 Columbia Memorial Hospital
 Greater Oregon Behavioral Health, Inc.
 Yakima Valley Farm Workers Clinic

Please note: Applicant’s qualifications to apply will not be evaluated until after the Application due date.

7. Desired Service Area

County (List each desired County separately)	In your Application, will you request to serve less than the entire County?	If yes, what zip codes will be in your requested Service Area in this County?
Clatsop	No	N/A
Columbia	No	N/A
Tillamook	No	N/A

Please note: If Applicant requests to cover less than a full County, it will be required to provide additional information and its reasoning for the request in its Application. OHA will consider requests during Application evaluation and will determine whether to approve or reject the request based on criteria that include, but are not limited to, how the request better serves the goals of CCO 2.0 than serving the entire County at issue. These Applicant requests and subsequent OHA responses do not limit OHA in any way from requiring additional changes to an Applicant’s proposed Service Area based on OHA’s needs and the needs of its Members. OHA may require an Applicant to accept OHA’s additional Service Area request(s) as a condition of receiving an award or a Notice to Proceed

as OHA and its Members' needs warrant. Applicant's requests for Service Area will not be evaluated until after the Application due date.

8. In Exhibit A, please provide an organization chart complying with the requirements of Attachment 6.
9. In Exhibit B, describe your current lines of health plan business in Oregon. Provide total covered lives for each line of business. (Provide separate figures for the following markets: Medicaid, other OHA, non-OHA state health plans, other state or local public sector, Medicare, other federal, Marketplace, other commercial insured, and commercial self-funded. Within each market identify numbers for benefit coverage types such as oral and comprehensive medical and identify numbers that are administrative- services-only as opposed to at-risk).

10. Applicant's Good Faith Intentions

Applicant has a good faith intention to submit an Application and believes it has the resources to do so. If at any time prior to or upon the Application due date Applicant determines it will not submit an Application, Applicant will submit to OHA a notarized letter, withdrawing this letter of intent and briefly stating the reason for the withdrawal. If at any time prior to seven days before the Application due date Applicant determines it must change the provisions of this LOI other than the requested Service Area, Applicant will submit to OHA a notarized letter, changing this letter of intent and briefly stating the reason for the change.

11. Acknowledgements

Applicant acknowledges that this Letter of Intent is binding upon Applicant if it proceeds to submit an Application and continues through the RFA process without withdrawing its Application.
