**Subject: CCO Conditional Notice of 1-Year Award (RFA #4690-19)**

Dear Mr. von Arx:

I am writing to let you know that the Oregon Health Authority (OHA) hereby issues Umpqua Health Alliance, LLC a conditional award for a 1-year contract as a Coordinated Care Organization (CCO), ready to begin operations and serve members on January 1<sup>st</sup>, 2020.

Umpqua Health Alliance did not fully demonstrate the ability to meet the criteria set forth in the CCO 2.0 RFA; however, denying the application would result in a gap in CCO coverage in parts of the state. OHA is placing Umpqua Health Alliance on a remediation plan to allow Umpqua Health Alliance to demonstrate the ability to meet the higher expectations of CCO 2.0, with technical support from OHA.

All applicants will receive a letter by July 19th, 2019 outlining the deficiencies identified during the evaluation process. More information about readiness review and the plan to address these deficiencies will be presented at the post-award conference scheduled for Thursday July 11<sup>th</sup>, 2019.

You may protest the decision within 7 calendar days after the date of the notice, pursuant to Section 5.2 of the RFA.

Thank you for your service to the Oregon Health Plan members and to the state of Oregon.

Sincerely,

Patrick M. Allen  
Director
