

“High-Fives” to the volunteers serving on the Oregon Health Policy Board.

Congratulations on the progress you have made so far in developing all the elements of a health policy that may make us all healthier. (And good luck in making your deadlines!)

We, too, are volunteers. We are the board at Montavilla Neighborhood here in Portland.

We appreciate what you are doing!

We are attaching a little thank you leaflet showing the free park concerts and movies throughout the summer. If you can get away this evening, the Obo Addy program at Mt Tabor should be pretty good...show starts at 6:30 but you can arrive anytime! You'll want to park your car at the bottom of the park and walk in to the concert...no parking. Bus #15 at 5th and Salmon would work too.

Thanks again; you're great!
