

Access in vitro fertilization and fertility resources

- + Providence Health Plan provides benefits for fertility services up to \$35,000 annually (\$25,000 for medical, \$10,000 for pharmacy). Covered services include:
 - + Diagnostic testing and associated office visits to determine the cause of infertility
 - + Artificial insemination
 - + Cost of acquiring semen (if donor is legal spouse of recipient)
 - + Fertility-related prescription drugs
 - + Covered fertility-related supplies
 - + In vitro fertilization services and egg freezing and storage
 - + Charges for donor semen from donor banks or other providers
 - + Charges for harvesting and storage of semen other than for immediate use
- + For more details about coverage, log in to your [myProvidence](#) account to access your benefit summary. You can also call us at [503-574-7500](#) or [800-878-4445 \(TTY: 711\)](#), Monday through Friday, 8 a.m. to 5 p.m. (Pacific Time).
