

Fertility Services With Assisted Reproductive Technologies

Oregon PEBB

If you're looking to start or expand your family but are having difficulty conceiving, as an PEBB member, you have medical coverage and support. Fertility services are offered at Kaiser Permanente Interstate Medical Office East.

About your benefits

All fertility services are subject to a \$25,000 medical annual benefit maximum as well as a \$10,000 annual benefit maximum for fertility prescription drugs.

Your plan covers the diagnosis and treatment of infertility, artificial insemination, in vitro fertilization (IVF), gamete intra-fallopian transfer (GIFT), zygote intra-fallopian transfer (ZIFT), and pre-implantation genetic diagnosis (PGD), subject to utilization review. Additional examples of covered services include office visits, treatments, diagnostic lab tests, X-rays, and surgeries.

Learn more and get started

Please call our Obstetrics and Gynecology Department at **1-855-285-4246** to schedule an appointment or speak to an advice nurse.

If your provider recommends in vitro fertilization treatment, you may be able to access these services at Oregon Health & Science University and Oregon Reproductive Medicine with an authorization.

More information

For more information about your PEBB benefits, please refer to your 2022 Employee Benefit Summary to see your cost share for services according to your plan.
