**Subject:** PEBB 2027 Plan Updates

## Dear PEBB member,

In April 2026, PEBB selected Moda Health and Kaiser Permanente as the 2027 medical plan carriers, and Capital Rx as the Pharmacy Benefit Manager for Moda Health plans.

Providence Health Plan (PHP) withdrew from the PEBB procurement process and will not be offered as a PEBB medical plan option for 2027. Learn more about [why PHP is no longer a medical plan option for 2027](#).

[Watch the April 29, 2026, PEBB Apparent Successful Proposer\(s\) meeting recording](#) for details.

Planning for 2027 benefits, provider networks, and rates are still in progress. Plan designs, pharmacy formulary, and provider networks are still being negotiated. This means decisions about specific benefits for 2027 are not yet final. PEBB's goal is to provide robust provider networks for all employees, including out-of-state employees and members moving from PHP plans.

We want to reassure members that there is no additional impact on PEBB medical coverage for the 2026 plan year resulting from Providence ending their insurance line of business.

PEBB will share additional details with members as soon as information is finalized. We expect to have information in mid-late summer.

Look for more emails from PEBB as information becomes available.
