What are FSAs?

- Flexible **Spending** Accounts
  - Year-to-year account
  - Set aside pretax dollars
  - Pay for current year expected expenses
  - May enroll in or not enroll in any health insurance plan under PEBB
- Two Accounts:
  - Health Care FSA
    - Deductibles, Co-Pays, Office Visits, Medical, Dental, Vision
  - Dependent Care FSA
    - Daycare, after-school care, pre-school, nursery school
Want a FSA?

IF YOU WANT A HEALTH CARE OR DEPENDENT CARE FSA FOR 2023 YOU MUST DO OPEN ENROLLMENT DURING THE MONTH OF OCTOBER!

IF YOU DON’T DO OPEN ENROLLMENT; YOU DON’T GET AN FSA!!

THIS ISN’T CORRECTABLE!!!
How does it work?

1. Estimate expenses
2. Make pretax contributions via paycheck
3. Incur eligible expenses
4. Submit claim to ASI
5. Get reimbursed!
IRS Regulated FSA Rules

- **Enroll every year** with a new election
- **Spend** all funds during the year
- Expenses must be **incurred** during your period of coverage, or plan year
- Do **not have to be covered** under PEBB’s health insurance
- Use to pay expense for **spouse and dependent children**
  - Can’t use for your Domestic Partner

- Can **access all health care funds anytime** during the year
- Unused funds are **forfeited**
- **Grace Period** 2 ½ months through March 15
