You contribute a pre-tax amount from your monthly pay throughout the plan year to the account.

Oregon State Payroll Employees (OSPS)

- OSPS employees must enroll for 12 monthly contributions.

  Example 1: Ann enrolls in the Health Care FSA during open enrollment. Ann's monthly pretax contribution each month to the account is $216.66.

  Example 2: Ann was hired in March and submitted her forms in March. Ann's effective date for the plan is April 1. Ann enrolls in the Health Care FSA for the plan year's maximum allowed contribution of $2,600. Ann's monthly contributions would be $288.88/month, effective April 1.

Oregon University (OUS) or Oregon Department of Education Employees (ODE)

- OUS and some ODE Academic employees select 10 or 12 only based on number of paychecks received in the calendar year. If you are unsure of your total paychecks contact your benefit office before enrolling.

  Example 1: Ann enrolls in the Health Care FSA during open enrollment. Ann is a ten month employee and does not receive a paycheck for July or August. Ann's FSA contribution is $260.00 for 10 months.

  Example 2: Ann was hired in March and submitted her forms in March. Ann's effective date for the plan is April 1. Employee signature and authorization

I affirm I am eligible to participate in a ☐ HealthcareFSA or a ☐ Dependent Care FSA, and that dependents for my dependent care claims meet the related federal requirements.

I agree not to deduct or claim credit for any of the expenses reimbursed through an FSA on my individual income tax return.

I understand that:

- An FSA is administered subject to federal Treasury regulations.
- The elections I made are in effect as long as I continue to meet PEBB eligibility and participation requirements for the plan year.
- **This is a Use-It-Or-Lose-It Account.** This account is non-refundable unless qualified claim reimbursements are submitted within the allowable time. If my qualified claim reimbursements during the plan year or grace period do not total my account balances, or I do not file for a qualified claim reimbursement before the end of the grace period I will forfeit my remaining account balance.
- I can request to change my monthly contribution midyear only if I experience a qualified midyear change event that allows the change. The requested change must be consistent with the qualified event.
- This is an annual account, which means it will end December 31 of each plan year. I must enroll during Open Enrollment to participate each plan year. I determine my contributions for the next year with each plan year enrollment.

I also understand that if I fail to report on this enrollment form a change that made an enrolled family member ineligible, PEBB may consider my omission an intentional misrepresentation of a fact material to my enrollment. In that case, PEBB may terminate the family member's coverage retroactively, pursuant to PEBB rules.

I understand the limitations and qualifications of this program.
