Dolly England	Equity, Community Engagement	Curry, Wallowa	503-951-1760	Dolly.A.England@oha.oregon.gov

Within our team, we can provide community-specific support to LPHAs. Our team currently includes strategists for the disability, Latinx, LGBTQIA2S+ and rural communities. These strategists can:

- Share ideas for relationship building and dynamics in their respective community
- Coordinate and collaborate on OHA and LPHA community specific initiatives
- Share resources, events, and information with their community specific connections
- Help meet people where they are at with equity conversations and help navigate tough conversations around equity
