Community Public Health Equity Awardee Kickoff Meeting

Importance of Joy and Celebration

Our differences may be apparent but not that significant. Our commonalities may be significant but not as apparent.

This is visionary landmark work.

Responding to local context & needs.

Your work is eminently needed.

Dr. James Mason

Keynote

Learning from community & frontline experiences during COVID-19

Looking at our intersectionalities

Being better listeners

Looking up for others

SELF-CARE &

Justice

JEDi

DEiB

Belonging

Learning from grantees

Justicing

PRACTICE- BASED EVIDENCE!

EVIDENCE- BASED PRACTICE?

Go beyond labels

Whole person

Generative knowledge

Structural barriers

Upstream work

Connecting, relationship & trust with those we serve

VIsual Notes: Reilly Dow | PinkFish.ca
Community Public Health Equity Awardee Kickoff Meeting

What project is your organization most excited to do through this grant?

Imagery, descriptors, symbols?

What do you want other community members to know about your work?

Meaningful work with young people

Dreaming of sustainable, long-term funding

A thread that weaves through our work

Resilience, skills & histories

Upstream work

Strong, tall tree with healthy roots

Seed of healing

What inspired you? Images or symbols?

Inspired to do this work by losing my father

If there were a bike nearby, I would use it!

Learning about others doing this work!

Oregon Health Authority
