Public Meeting

- Members of the public welcome!
- Conversation space is held for committee members
- We will hold space for public comments in the final 10 minutes of the meeting.
 - If there are multiple members of the public who would like to speak we will limit speaking time to 2 minutes per person

Agenda

- Welcome back!
- Relationship building
- What's next? Steering Committee work for the coming months
- Proposed State Population Health Indicators (SPHIs)
 - Recap of materials and discussion from 11/12 meeting
 - Continue to discuss proposed SPHIs and finalize recommendations

OHA Staff

- Jameela- Steering Committee Lead, Community Engagement
- Rose- Data/Assessment Lead
- Victoria- SHA Lead, Internal Engagement and Communications
- Sara- Manager; Fiscal and Leadership Support

MetGroup Facilitation Team

Kirsten Gunst, Senior Director

Debra Clark, Director

Kristin Gimbel, Executive Vice
President

Group Agreements

- 1. Lean forward, lean back.** *Share space. Allow room for different opinions. Don't be afraid to share your perspective! This is a judgment-free zone.*
- 2. Curiosity is queen.** *Be open to continuous learning along the way.*
- 3. Explain and unpack jargon and acronyms.**

4. Be present, be authentic. *Show up as fully as you can in the way that is most comfortable for you. ("Be present, be authentic", as a way to invite others to feel comfortable being present at the table as themselves, and meet others in the same way?)*

5. Honor all experiences and expertise. *Appreciate others as human beings with abundant and interconnected experiences.*

6. Extend grace to each other and to ourselves. *Assume best intentions.*

What's next?

Milestones and upcoming work

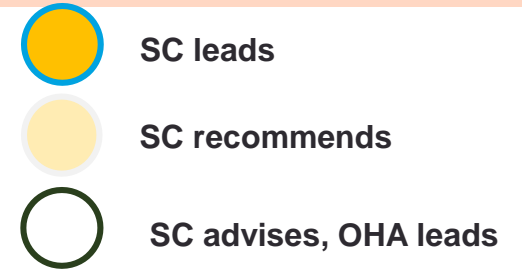

Reminder of SHA and SHIP cycle

- State Health Improvement Plan (SHIP) and the State Health Assessment (SHA) are cyclical processes
- Healthier Together Oregon is the current 2020-2024
- State Health Assessment helps inform State Health Improvement Plan

You are here →

Oregon Health Authority SHA Steering Committee Roadmap

April 2024
Convene SHA Steering Committee (SHA SC). Develop charter and mission, vision and values

Sept, 2024
Finalize Mission, Vision, Values and Starting Point Assessment: These products are foundational for the next SHIP

January 2025
Finalize SHA: Approve the SHA. OHA will publish by March 2025.

Sept - Dec 2024
Provide Framing for Public Health Data: Review data and community & partner feedback on health status and priorities. Recommend key themes and messages for SHA

May 2025
Finalize SHIP priorities: SHA SC finalizes 2025-29 priorities.

May - July 2025
Community & Partner Feedback: OHA continues grants for feedback on SHIP strategies. OHA continues additional mechanisms to collect feedback.

Feb 2025
Provide preliminary SHIP priorities
 Develop list of potential priorities for the 2025-29 SHIP

Feb - April 2025
Community & Partner Feedback: OHA executes grants for feedback on SHIP priorities. OHA conducts additional mechanisms to collect feedback.

Sept 2025
Finalize SHIP
 Approve the 2025-29 SHIP

Aug 2025
Finalize Indicators, Strategies and Measures:
 SHA SC finalizes SHIP components

Moving from completing the SHA to developing the SHIP

- The SHA provides a foundation for developing the 2025-29 SHIP
 - Themes and issues can inform SHIP priorities
 - State Population Health Indicators can be used to track progress on SHIP priorities
- Healthier Together Oregon also provides a foundation for developing the 2025-29 SHIP

Questions? Thoughts?

OREGON

State Population Health Indicators

November 12 meeting recap

- Discussed purpose of State Population Health Indicators (SPHIs)
- Reviewed visual that shows how upstream factors affect health outcomes
- Reviewed preliminary list of health topics and SPHIs

State Population Health Indicators

- Help us tell the story of health in Oregon
- We update these data every year
- A few changes have been made to reflect last week's conversation
- Topics with asterisks are areas where input is still needed

SPHI Considerations

- **Indicators presented in the context of influences of social determinants of health**
- **Strength-based framing**
 - Avoid deficit-based framing when possible
- **Prevention or upstream alignment**
- **Populations impacted**
 - Culturally specific, regional, disability, age and more.
- **Impact on the lives of Oregonians**
- **Data quality**
 - Reliability, representative, meaning making
- **Future outlook**
 - Data updates, methods stability
- **Alignment with OHA/PHD priorities**
 - Healthier Together Oregon, OHA strategic plan, PHAB accountability metrics
- **Example of other public issues**
 - How well do these highlight broader public health issues?

Next steps

- Next meeting is scheduled for December 9.
 - Review components of draft SHA report
 - Talk about feedback provided through SHA community engagement

AUTHORITY

Extra/Reference Slides

Acronym Check

- CBO- Community Based Organization
 - CHA- Community Health Assessment
 - CHIP - Community Health Improvement Plan
 - LPHA- Local Public Health Authority
 - OHA- Oregon Health Authority
 - PHD- Public Health Division
 - SHA- State Health Assessment
 - SHIP- State Health Improvement Plan
- 

Acronym Check Continued

- SPA – Starting Point Assessment
- REALD- Race Ethnicity, Language and Disability
- SOGI- Sexual orientation or gender identity
- Census- United States Census
- BRFSS- Behavioral Risk Factor Surveillance Survey
- SPHI- State Population Health Indicator

Anticipated: Phases 2 and 3, the SHA and SHIP (Steering committee can change timeline)

Developing the State Health Assessment 2024-25

September/Oct

Health indicator data review, assessment planning, community engagement

November/ Dec/Jan

Review process so far, develop data themes

Feb/March

Review draft SHA, work toward final

Developing the State Health Improvement Plan 2025

March

Define/ revise SHIP priorities

April

Define draft strategies, metrics

May

Final decisions on SHIP made, OHA works to produce it

OHA's Definition of Health Equity

Oregon will have established a health system that creates health equity when all people can reach their full health potential and well-being and are not disadvantaged by their race, ethnicity, language, disability, age, gender, gender identity, sexual orientation, social class, intersections among these communities or identities, or other socially determined circumstances.

Achieving health equity requires the ongoing collaboration of all regions and sectors of the state, including tribal governments to address:

- **The equitable distribution or redistribution of resources and power; and**
- **Recognizing, reconciling and rectifying historical and contemporary injustices.**

HTO operationalizes the collaboration required to advance OHA's goal of eliminating health inequities by 2030.

We look forward to connecting with you again on November 12, 2024 from 2-4pm.

Jameela Norton, MPH

Health Improvement Strategy

Jameela.norton@oha.Oregon.gov

Public Health Division

Office of the State Public Health Director

What does Oregon's public health system do?

Communicable Disease Control

(respiratory illnesses, sexually transmitted infections and HIV, viral hepatitis)

Environmental Health

(climate and health, restaurant inspections, drinking water services)

Prevention and Health Promotion

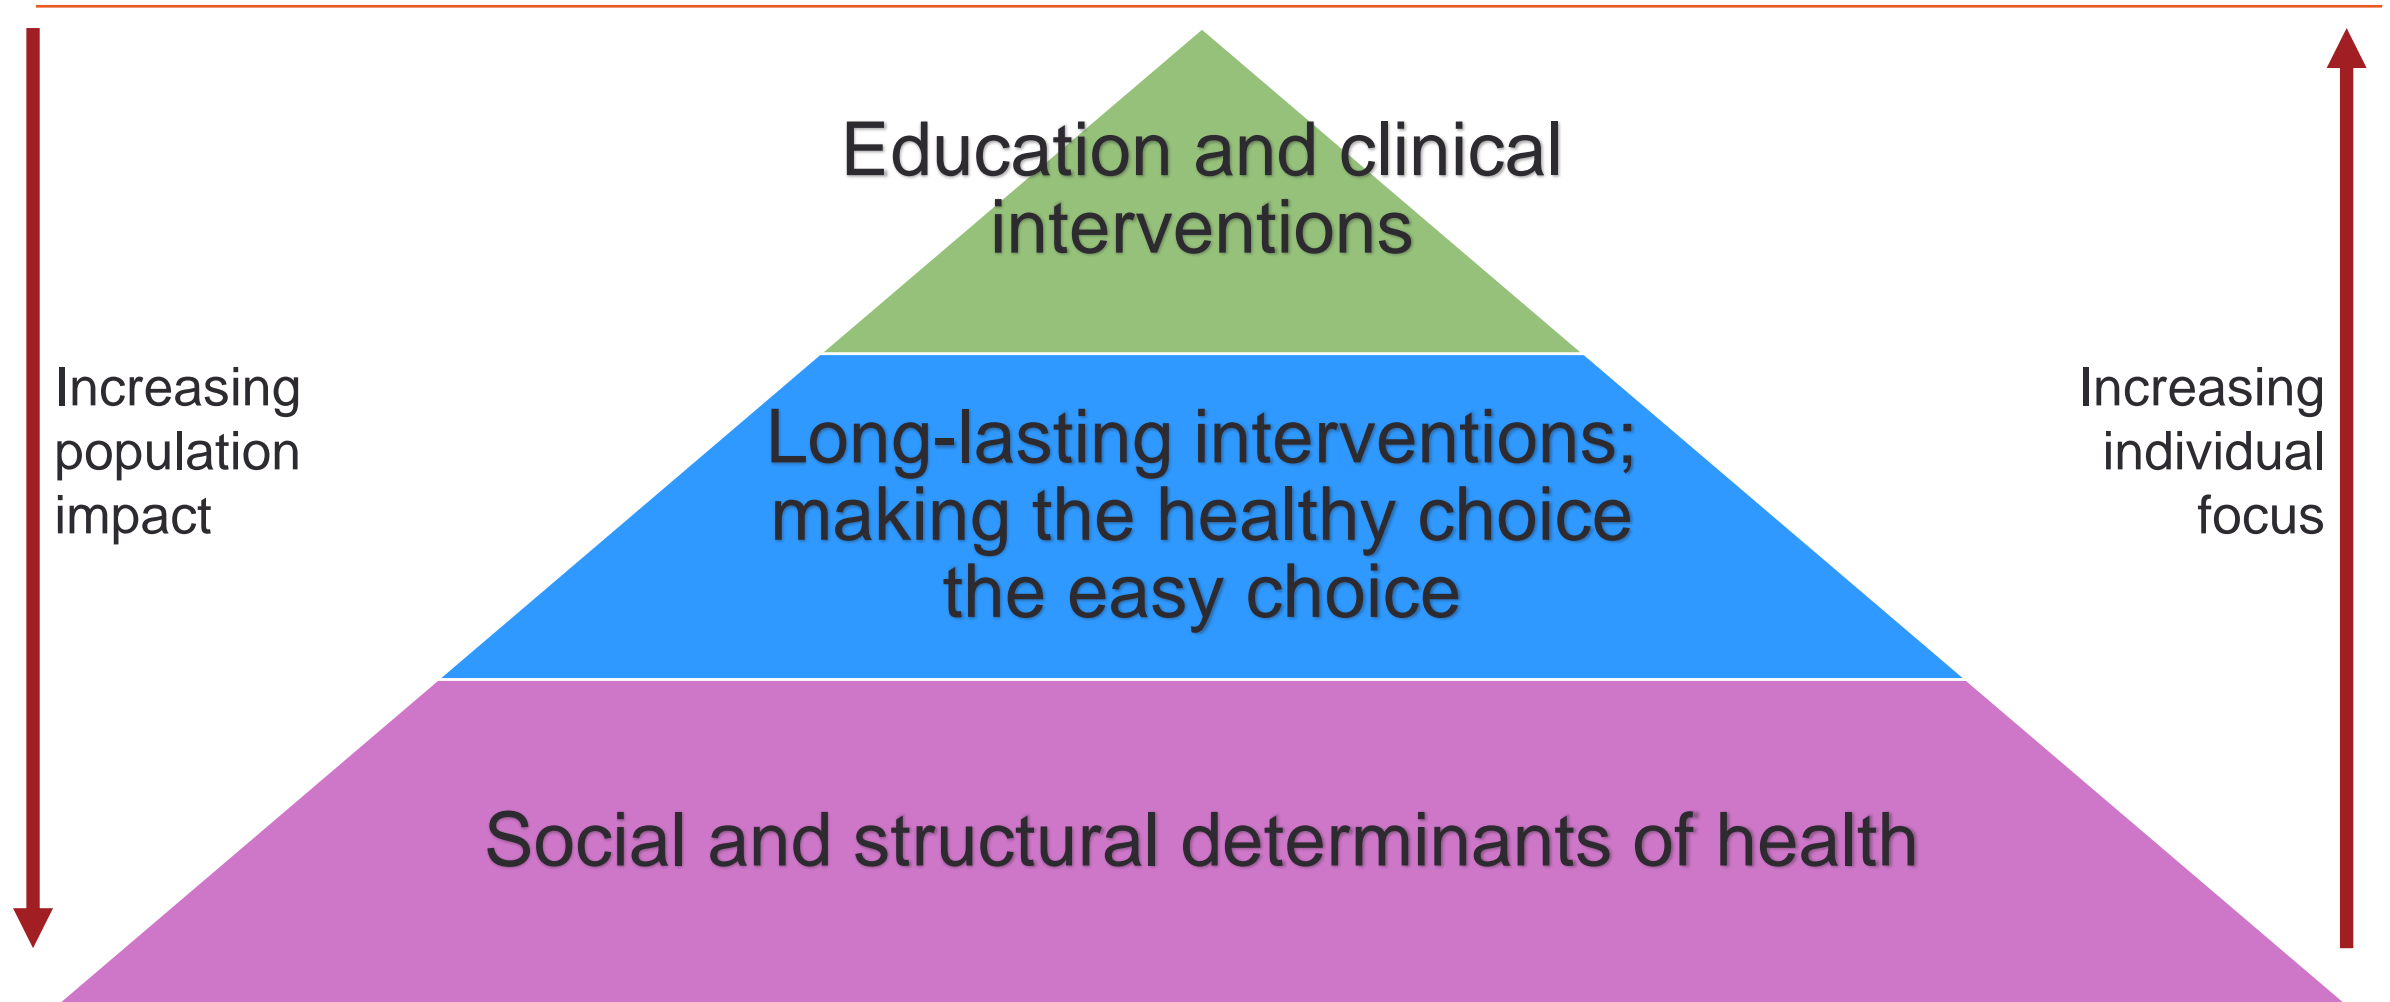

(commercial tobacco prevention, substance use disorder prevention, injury and suicide prevention)

Access to Clinical Preventive Services

(immunizations, reproductive health, school-based health centers)

How does public health work to improve health?

Adapted from Health Impact Pyramid, Tom Frieden

GAP TOPIC AREAS

- ### INFECTIOUS DISEASE
- PREVENTABLE ILLNESSES
 - COVID

- ### INJURY VIOLENCE PREVENTION
