# Group Agreements

---

- 1. Lean forward, lean back.** *Share space. Allow room for different opinions. Don't be afraid to share your perspective! This is a judgment-free zone.*
- 2. Curiosity is queen.** *Be open to continuous learning along the way.*
- 3. Explain and unpack jargon and acronyms.**
- 4. Be present, be authentic.** *Show up as fully as you can in the way that is most comfortable for you. ("Be present, be authentic", as a way to invite others to feel comfortable being present at the table as themselves, and meet others in the same way?)*
- 5. Honor all experiences and expertise.** *Appreciate others as human beings with abundant and interconnected experiences.*
- 6. Extend grace to each other and to ourselves.** *Assume best intentions.*

# Building from lessons learned

---

- PartnerSHIP
  - Consistent community engagement
  - Transparent scope/power mechanisms
- Internal engagement, objectives and metrics
  - PHD staff updated and engaged throughout process
  - Clear tracking of work being done

# Considerations

---

- Decrease in funding available
  - Previous budget: 300k
- Impacts of federal changes
- Deadline: must have finalized SHIP September 2025
- All ages. All places. All people.
  - We are committed to quality community engagement and working towards equitable social conditions and promoting health across the life span.

# Internal efforts- Public Health Division

---

- Dashboard
- Identifying liaisons for each strategy
- Objectives and metrics co-designed with subject matter experts
- Alignment and collaboration with other statewide plans

# Proposal: SHIP Collaborative

---

4 meetings a year

Open to anyone interested in attending; **will have a core group of members from across the state**

We will recruit and encourage folks from diverse backgrounds to attend

Goal: ongoing conversations, updates and information sharing. Opportunities to weigh in on topics when possible.

## (Proposal) What we hope to do in the next year:

Engage	Meaningfully engage community and share information about SHIP related efforts
Consult	Consult group members when and where possible
Invite and feature	Invite and feature leaders for conversations with community
Develop	Develop a model of how this work can look

# Thoughts?

---

- We'd love to hear your insights at our July 30, 2025 12:05pm subcommittee meeting.

# Community Engagement Planning 2025

---

- Planning to return to all spaces we went in Spring 2025.
  - Communicating and collaborating with Julia- our Tribal liaison
- Late fall: launch SHIP!
- Share information about how folks can get involved
  - SHIP Collaborative
  - Working with local CHIPs/CHPs

# Public Meeting

---

- Members of the public welcome!
- Conversation space is held for committee members
- We will hold space for public comments in the final 5 minutes of the meeting.
  - If there are multiple members of the public who would like to speak, we will limit speaking time to 2 minutes per person

for METROPOLITAN  
GROUP

# Considerations

Oregon Health Authority's Public Health Division will be the primary organization working to achieve these priorities

The health priorities, goals, and objectives identified in local CCO CHPs must include **at least two** Statewide Health Improvement Plan strategies

Strategies help direct areas for shared work

# Priorities for community and partner feedback:

---

- Healthy Environments
- Emergency preparedness and response
- Health across the lifespan
- Disease prevention and health promotion
- Physical, mental and community safety
- Mental well-being and behavioral health
- Equitable social conditions
