

## **Morrow County Public Health**

### **Priorities and key activities:**

#### Equity:

- Develop and strengthen collaboration with CBO's

- Re-establishing community Partnerships

- Return to in person meetings

#### Improve access to care:

- Collaborate with County transportation services (the loop)

- Increase health care access for preventative services

#### Rebuild LPHA workforce capacity:

- Work on providing flexible schedules

- Increase efficiency in staff roles through vertical decision-making among staff.
