

24-Hour Notice - Funeral Home

Summary:

The 24-Hour Receipt of Body Notice is an electronic notice generated by OVERS alerting the County Vital Records office that a death occurred in their county. It is called 24-Hour Notice in OVERS. The 24-Hour Notice begins when the funeral home starts the death record or assumes ownership of the death record. The 24-Hour Notice status is then assigned to the death record.

Verify the **24-Hour Notice** status is applied and the **24-Hour Notice Submitted to County on [date]** is displayed on the decedent page.

The screenshot shows the 'Death Registration Menu' for 'Frank Test' on 'MAR-19-2018'. The menu includes sections for 'Personal Information', 'Decedent', 'Resident Address', 'Family Members', 'Informant', 'Disposition', 'Decedent Attributes', 'Medical Certification', and 'Pronouncement'. The 'Decedent' section is highlighted and contains the following information: '6879454 :Frank Test MAR-19-2018', a link to '/New Event/New Event/Not Registered/Unsigned/Uncertified/NA/24-Hour Notice', the status 'Decedent', and the date '24-Hour Notice submitted to County on 03-19-2018'. Below this, there is a dropdown menu for 'Will Medical Examiner be completing personal information?' set to 'No'. The 'Decedent's Legal Name' section includes input fields for Prefix, First (Frank), Middle, Other Middle, Last (Test), and Suffix.

No other action is needed by the funeral home to notify the County of death. If you are interested in learning more about the county process for 24-Hour Notices, check the 24 hour Notice - County guide on the Vital Records website.
