01/01/2024: Updated to reflect new legislation related to legal name taken after domestic partnership, citing [ORS 106.315](#) and to remove requirement for partners to be of the same sex.

10/24/2025: Updated to reflect changes to form and clarified mailing instructions for county clerks.

General Information

The Declaration of Oregon Registered Domestic Partnership is a legal form. It should not be altered. If completed by hand, black or dark blue ink should be used.

All sections of the form need to be completed unless otherwise specified in the instructions. The forms must be signed by both individuals entering into the domestic partnership. Signatures must be witnessed and acknowledged by a Notary Public. Completed, signed, and notarized forms must be signed and registered by a County Clerk to be valid.

The County Clerk registers the form with the Center for Health Statistics (CHS). A copy of the form, along with a commemorative "Certificate of Registered Domestic Partnership," can be provided to the partners in person or by mail.

Contact your County Clerk's office to get information about associated fees.

Definitions

Domestic Partnership means the civil contract entered into in person between two individuals who are at least 18 years of age who are otherwise capable, and at least one of which is a resident of Oregon.

Partner is an individual joined in a domestic partnership.

Prohibited and Void Domestic Partnerships

Partnership is prohibited and void:

- When either party to the domestic partnership had a partner, wife or husband living at the time of the domestic partnership unless the partner, wife or husband was the other party to the domestic partnership;
- When the parties in the domestic partnership are first cousins or any nearer of kin to each other, see [ORS 106.315](#) **Prohibited and void domestic partnerships;**

- When either party is incapable of making the civil contract or consenting to the contract for want of legal age or sufficient understanding; and/or,
- When the consent of either party is obtained by force or fraud, the domestic partnership is void from the time it is so declared by a judgment of a court having jurisdiction of the domestic partnership.

NOTE: When parties are first cousins by adoption only, the domestic partnership is **not** prohibited or void.

Filing Forms with the Center for Health Statistics

Every official registering Declarations of Domestic Partnership must mail the completed forms to the Center for Health Statistics (CHS) within 15 calendar days of the form being completed.

- Counties should use the 9X12 manila business reply envelopes supplied by CHS. The envelopes can be ordered with the [Request for Vital Records Forms and Tags form](#).
- If counties mail ORDP forms along with paper marriage records to CHS in the same envelope, the ORDP forms should be bundled separately and placed on top of the marriage records. Keeping ORDPs separate helps ensure none are overlooked or misplaced among the marriage records.

Declarations of Domestic Partnerships filed with the Center for Health Statistics are vital records. Access to the record is restricted for 50 years after the event to eligible family members and their legal representatives, and/or to eligible organizations and government agencies. Visit <https://bit.ly/OR-Eligibility> for more information.

Amending Declaration of Domestic Partnership Forms

Declaration of Domestic Partnership forms that are filed with the Center for Health Statistics are amended using the same process as for amending marriage records. A copy of the amended form is forwarded to the Center for Health Statistics with a letter requesting that a similar amendment be completed by the state.
