Alternative identification you can send with your mail or drop box order.

If you don't have a valid driver's license, ID card or passport, send photocopies of three (3) different documents that include both your name and current address. Suggested documents are listed below. If you are mailing your order or using the drop box, make photocopies of the documents and include them with your order form.

Documents must be dated within the last 30 days and show applicant's current mailing address.

Documents such as:

• Utility bill (for example, telephone, gas, electric, water, garbage removal) or other bill;
• Insurance statement, medical statement or paycheck stub,

must have current mailing address and can be no more than 30 days old.

Other documents such as:

• Court or parole documents;
• Valid work ID, unemployment statement, food stamp or other benefit cards (copy both sides);
• Permit for firearms, fishing, hunting or other license;
• Vehicle registration, title or insurance statement,

may be used. However, expired documents are unacceptable. For more information on acceptable documents, go to www.healthoregon.org/chs, click on “Information Needed to Order,” and scroll down to “Acceptable Proofs of Identity.”

If you have no ID or other documents, an immediate family member can provide ID and order the record. Records may also be released to a legal representative of a family member or sent directly to a government agency.

How long does it take to receive a record ordered by mail? Processing times vary between three and five weeks, depending on seasonal workload. To ensure fast processing for mail orders, use a money order instead of a personal check. Payment by personal check may delay processing by three weeks if the check is on a new account, is a temporary check, does not include a printed name or address, or has a change to the printed name or address. If an amendment is being processed or the record is not on file, or ID or information is missing or in error, expect an additional delay of two to four weeks.

Order in person and receive the record within 30 minutes – 1 hour. Additional fees apply. Fees are not refundable after orders are submitted.

The identity of the applicant will be screened using Social Security number and date of birth. Additional fees apply. Persons ordering must show valid ID or provide alternative documents. In some cases, proof of relationship may be required if the person ordering does not share the last name of the person on the record and is not clearly a family member. Payment by credit or debit card, cash, money order or electronic funds transfer (EFT) of a personal check is accepted.
