Alternative identification you can send with your mail order.

If you don't have a valid driver's license, ID card or passport, send photocopies of three (3) different documents that include both your name and current address. Suggested documents are listed below. If you are mailing your order, make photocopies of the documents and include them with your order form.

Documents must be dated within the last 30 days and show applicant's current mailing address.

Documents such as:

- Utility bill (for example, telephone, gas, electric, water, garbage removal) or other bill;
- Insurance statement, medical statement or paycheck stub,

must have current mailing address and can be no more than 30 days old.

Other documents such as:

- Court or parole documents;
- Valid work ID, unemployment statement, food stamp or other benefit cards (copy both sides);
- Permit for firearms, fishing, hunting or other license;
- Vehicle registration, title or insurance statement,

may be used. However, expired documents are unacceptable. For more information on acceptable documents, go to www.healthoregon.org/chs, click on "Information Needed to Order," and scroll down to "Acceptable Proofs of Identity."

If you are the adoptee and you have no ID or other documents in your legal name after adoption, you will need to request your current legal birth record and obtain ID before placing an order for your pre-adoption birth record. An immediate family member can help you order your current legal birth record. Immediate family members include a child's mother and the mother's parents, a child's father and the father's parents (if father is listed on the birth record), and the adult children of the person named on the birth record. The current legal birth record may also be requested by a legal representative of an immediate family member or a government agency representative.

By law, only the Adoptee age 21 and over may request a pre-adoption birth record. Other family members must obtain a court order from an Oregon court to open the adoption sealed file for the documents in it to be released.

How long does it take to receive a pre-adoption birth record? Processing times vary between six to eight weeks for pre-adoption birth record orders. Processing time includes ordering files stored off-site, and sometimes ordering more than one file to locate the first birth record filed.

We recommend that orders for pre-adoption birth records be placed by mail. There is no option to order a pre-adoption birth record on the web or by telephone.

Order in person: Additional fees apply.

Fees are not refundable after orders are submitted.
