

Sex Designation on Death Certificates

The OVERS system has a new option for sex designation for the decedent. The selections of Female, Male, Undetermined and Unknown are still available. You will now also see X, the nonbinary option. It can be selected in OVERS and will print on the death certificate.

How this will affect your records process:

You will see X as an option for sex in **Start/Edit New Search** and **Death Search** pages. You can also see X selected for sex on **Decedent** and **Death Search Results** pages.
