— Quantity is zero.

¹ The subtotals of an age group may not add to the total for that age group because of unstated characteristics such as marital status or race/ethnicity.

² All rates per 1,000 females.

³ Less than 5 prenatal visits or care began in the third trimester.

⁴ Includes Chinese, Japanese, Filipino, and Other Asian & Pacific Islander.

WARNING: Rates based on less than 5 events are unreliable.

NOTE: Rates and percentages are calculated excluding missing and unknown values.
