1 Care that began in the first or second trimester and included at least five prenatal visits.
 2 Less than five prenatal visits or care began in the third trimester.
 3 Missing or unknown date of first prenatal care visit.
 — Quantity is zero.
 * Detailed reporting of small numbers may breach confidentiality.
 + Preliminary data are undergoing editing procedures which result in frequent and significant changes.
 Data can be used for tracking recent health events, but are not appropriate for use in statistical analyses.
 Table does not reflect records received but not yet processed by CHS.
 NOTE: Percentages are calculated excluding missing prenatal care.
