^ This number may be statistically unreliable and should be interpreted with caution.

-- This number is suppressed because it is statistically unreliable.

¹ Emergency department visits include only those where the indicated condition was the primary diagnosis. Rates are based on the number of persons with emergency department visits per 100,000 population.

² Includes all ages.

³ Includes only adults ages 18 and over.

⁴ North Central Public Health District includes Gilliam, Sherman, and Wasco counties.

Emergency department rates¹ per 100,000 population, by Oregon county, 2017
