^ This number may be statistically unreliable and should be interpreted with caution.

-- This number is suppressed because it is statistically unreliable.

¹ Hospitalizations include only those where the indicated condition was the primary diagnosis. Rates are based on the number of hospitalized persons per 100,000 population.

² Includes all ages.

³ Includes only adults ages 18 and over.

⁴ North Central Public Health District includes Gilliam, Sherman, and Wasco counties.

Source: Oregon hospital discharges dataset, 2016; age-adjustment is to the 2000 standard population.

Note: All rates are based on the number of persons hospitalized, not the number of discharges. For an explanation of using unadjusted versus age-adjusted estimates, please see

<http://public.health.oregon.gov/DiseasesConditions/ChronicDisease/DataReports/Pages/TechnicalNotes.aspx>.
