Implementation

- Facilities staff put up signs at all buildings and removed the 10 ft stickers from doorways
- Created signs and palm cards as resources at places that public frequent (libraries and clinics)
- Communications office sent out via intranet (MultCo Commons) and weekly emailed newsletter (Wednesday Wire), as well as emails from directors of departments to their staff.
- Follow-up visits by TPEP staff to assess compliance

Public Health
Prevent. Promote. Protect.

Enforcement

- It is the responsibility of all managers and supervisors to inform and check compliance of employees
- It is a duty of all employees to inform visitors of the policy, if can be done safely
- Tricky spots: public sidewalks, parking lots, cigarette butts

Smoking and tobacco use is not permitted indoors or outdoors on Multnomah County campuses, including parking areas.
